SAW HER CHILD BURN.

Before the eyes of a frantic mother,
Lena, the three-year old daughter of
Frederic Rupert, a foreman in the
Helme saw mill, at Helmetta, N. J.,
was burned to a crisp yesterday as a re-
sult of playing with a toy stove. Sup-
posing that her husband had not yet
returned to his work, Mrs. Rupert left
her baby sitting on the kitchen floor
yesterday at noon to call on a neighbor.
She had only been gone a few minutes,
and was on her way home, when smoke
was discovered bursting out of the
kitchen door. Rushing into the house,
Mrs. Rupert beheld, sitting near the
kitchen stove and still clinging to the
little toy stove, her baby enveloped in
flames. The child had taken, with a
little shovel, some hot coals from the
kitchen range and tried to start a fire
in her toy stove, when her clothes
caught fire. After vainly crying out to
her husband, who had gone back to
work, Mrs. Rupert grabbed up a car-
pet dormant and tried to beat the
flames away from her babe, who was
crying in great agony on the floor.
But the mother's efforts were of no avail,
for the flames were quickly consuming
the baby's woolen clothing and burn-
ing the child to death. Prostrated at
the sight Mrs. Rupert swooned. When
she regained consciousness, the woman
made another effort to save her child,
but found that a charred corpse was all
that was left of it. Then Mrs. Rupert,
realizing that the house was in danger
of being burned up, ran out into the
front yard and called for assistance.
Two men were passing by at the time.
Hearing the woman's feeble voice call-
ing out to them, they rushed into the
house, and, after a hard struggle,
succeeded in extinguishing the flames.
The men did not know that the child
had been burned until the mother told
them. Then, running to the snuff
mills, one of the men broke the news
to Mr. Rupert of his child's death and
how his home had almost been ruined.
Heartbroken at his loss the father had
to be carried to his home. Mrs.
Rupert was badly burned about the
hands by her efforts to rescue her babe,
but she did not receive any other in-
juries.

THE TRUE REMEDY.

W. M. Repine, editor Tiskilwa, Ill.,
"Chief," says: "We won't keep house
without Dr. King's New Discovery for
Consumption, Coughs, and Colds.
Experimented with many others, but
never got the true remedy until we
used Dr. King's New Discovery. No
other remedy can take its place in our
home, as in it we have a certain and
sure cure for Coughs, Colds, Whooping
Cough, etc." It is idle to experiment
with other remedies, even if they are
urged on you as just as good as Dr.
King's New Discovery. They are not
as good, because this remedy has a re-
cord of cures and besides is guaranteed.
It never fails to satisfy. Trial bottles
free at E. L. Allen's Drug Store.

For Your Protection.—Catarrh "cures"
in liquid form to be taken, internally, usually
contain Mercury or Iodine of Potassa, or both,
which are injurious if too long taken. Cat-
arrh is a local, not a blood disease, caused
by cold and damp weather. It starts in the
nasal passages. Cold in the head, if rep-
etly neglected, results in catarrh. Ely's Cream
Balm is the acknowledged cure for these
troubles and contains no mercury nor any in-
jurious drug.

For Over Fifty Years
AN OLD AND WELL-TRIED REMEDY.—Mrs.
Winslow's Soothing Syrup has been used for
over fifty years by millions of mothers for
their children while teething, with perfect
success. It soothes the child, softens the gums,
relieves all pain, cures wind colic, and is the
best remedy for Diarrhoea. Is pleasant to the
taste. Sold by Druggists in every part of the
world. Twenty-five cents a bottle. Its value
is incalculable. Be sure and ask for Mrs. Win-
sow's Soothing Syrup and take no other kind.
Sent 17 cents.

ARNOLD'S BROMO-CELERY. Try this
unrivaled remedy for Headaches, Neuralgia,
Sleeplessness. 10 cents.

Plymouth, Charlotte and Columbia, reach-
ing Savannah at 11:20 a. m. Jacksonville

the next day. This train is in addition to
the regular daily limited trains.

ruary 9. Excursion tickets, including rail-

Medicinal.

When a baby comes
into this world he is
going to have a struggle
to keep his foothold in
the difficult places of
life, and battle against
the misfortunes that
will probably beset him.
No matter how well off
his parents may be, they
can't insure him against
misfortune. The best
they can do is to start
him with a good,
healthy, vigorous constitution.

A mother who wants to bequeath her baby
a good store of strength and hardihood
ought to keep herself in the best physical
condition during the time her little one is
expected. Dr. Pierce's Favorite Prescrip-
tion has been a wonderful blessing to moth-
ers and their children. It gives strength to
the special organism concerned in matern-
ity; it purifies the system and imparts
healthful vitality to the nerve-centres. It
makes the coming of baby safe and com-
paratively painless.

It is the only medicine in the world de-
signed by a regularly graduated physician
and skilled specialist to cure all weaknesses
and diseases of the feminine organism.
W. R. Malcolm, Esq., of Knoxville, Clay Co., Ark.,
writes: "My wife for perhaps four months pre-
vious to the birth of our child took the 'Favorite
Prescription.' This strengthened her entire sys-
tem, and child-birth, to her, was very easy, be-
ing attended with little pain. Our baby Ruth is
13 months old and has never been sick a day,
not so much as had the child she is hearty and
stout, and pretty as a picture—pretty because she
is healthy, and we very much blame Dr. Pierce's
family medicine for it.

We keep Dr. Pierce's Golden Medical Discovery,
the 'Favorite Prescription' and the 'Pleasant
Pellets' in our home and use them. We have
been married most three years and I have called
a physician into my family but one time—at
birth of our baby.

If all the maladies due to constipation
were taken out of medical books, there
would be little left but the covers. Con-
stipation is positively, permanently cured
by Dr. Pierce's Pleasant Pellets. Never
gripe. Druggists sell them. Nothing is
"just as good."
